

## Christmas Break Activity

Your end of term project is to produce something to REVIEW / APPLY your learning from our Autumn Theme—**New Discoveries (Stone—Iron Age)**

Choose from the following activities

Time Travel guide - make a booklet about what you would see/do in the Stone Age, Bronze and Iron Age

\*

Stone Age recipe book or menu

\*

Pop up book. Write a story and have the scary parts as pictures popping out

\*

Follow-up reading and writing about an area that excited you most eg. Stonehenge, Hill forts

## Our Learning Journey is...

Year 3 are trying out a new way of teaching and learning our new theme. That means we will NOT be telling you the theme in advance , and keeping a secret until our FIRST DAY BACK—which will be an exciting day called a

**STUNNING START**

**Year 3**

**Spring 2021**

On our first day back we will have our  
Stunning Start, which will include our  
Virtual Reality (VR) Workshop

Following our workshop and other exciting experiences on Monday 4th January, make sure you tell your parents/carers all about your new theme. There will be a

**BIG QUESTION**

which we will be trying to answer throughout the term.

Keep your brains sharp by logging on to Bug Club for your reading (and Lexia for those who have it). Also keep up with your Stage Books and reading to parents/carers. Then you have your fabulous Readalicious books and Free Writing. For maths it's TimesTables Rockstars and SumDog .
